1000 - 1300	Visit to EU funded projects in Brussels Belvue site and the MAD – Municipality of Molenbeek	Mia – Javier Agnes Monfret HoU

	The Site visit along the Canal in Brussels will enable journalists to discover public facilities, economic processes in operation, passive buildings and the reconversion of remarkable industrial buildings.	Geneviève Planchard. Brussels Regional Public Service - FEDER
	Belvue Site (ERDF 2007-2013 and 2014-2020) Situating along the Brussels canal, the site of the former Belle Vue brewery forms a continuous façade. The old malt-house has been renovated according to low-energy standards The building offers a great potential to develop a dynamic socio-economical space and hosts several projects.	
1030 - 1115	Art2work - youth integration (la malterie) ERDF 2014-2020 ART2WORK is a non-profit association, whose practice involves giving new opportunities of learning and working for young uneducated people. The project has been located in Belle-Vue since 2008.	
1130 - 1200	Hotel Bellevue ERDF 2007 – 2013 The Hotel Belvue is run on a carbon-neutral basis! From June 2015 on this 29 comfortable 3-star rooms wants to contribute to the development of the neighborhood's social economy.	
1130 - 1200	Molenbeek Formation - Local Training center ERDF 2007 -02013 At the site of the Belvue Center a project of socio-professional integration that offers employment opportunities for low-skilled young people has been developed. The more than 1000 m ² of premises are organized for training to all kinds of professions related to the hotel and tourism industry.	
1200 - 1300	MAD. Brussels Mode and Design center ERDF 2007-2013 MAD Brussels – Mode and Design Center – is a platform of expertise and a unique shop window to show off the value of the fashion and design sectors in Brussels. Its mission, which is at the heart of innovation and is oriented to the future, is to promote all the professions, encourage initiatives and support all the players in these two sectors to support their development and growth, from and towards Brussels.	
1300	End
